Actual eligibility determinations, benefit verifications, final coverage decisions, claim adjudications, final payments, reimbursements of benefits, or claims shall be determined and adjudicated only after or at the time a proper and complete Proof of Claim is submitted (as the case may be), an opportunity for reasonable investigation and/or review is provided, cooperation required hereunder received, and all facts and supporting information, including relevant data, information and medical records when deemed necessary or appropriate by the Company, are presented in writing. If a definite answer to a specific benefits or coverage question is required for any reason, the Covered Person or their healthcare providers may submit a written request to the Company, including all pertinent medical information and a statement from the attending Physician (if applicable), and a written reply will be sent by the Company and kept on file. If the Company elects to verify generally and/or preliminarily to a provider or the Covered Person that an Injury, Sickness, diagnosis or proposed Treatment is or may be covered under this insurance, or that benefits for same are or may be available as outlined in this Certificate of Coverage, any such verification of benefits does not guaranty either payment of benefits or the amount or eligibility of benefits. GOVERNING JURISDICTION: All claims arising under this insurance shall be governed by the Laws of Cayman Islands whose courts alone shall have jurisdiction in any dispute arising hereunder.

SUBSCRIPTION AGREEMENT

I hereby apply to be a Covered Person of the AMD Global Trust established in the Cayman Islands (the "Trust") and to participate in the insurance coverage extended by Zurich Insurance Europe AG, Belgian branch (the "Insurer") to Covered Persons under the Trust (the "Coverage"). I understand that the Coverage is not a general health insurance product but is intended for use in the event of a sudden and Unexpected event while traveling outside my Home Country (for purposes of this Agreement, Home Country means the Country of Residence is the country in which the Covered Person maintains their current primary residence or usual place of abode and any country to which the Covered Person pays income taxes based upon employment in that country. In the event there is more than one Country of Residence under the above-listed criteria, the Country of Residence is the country meeting the above-listed criteria and listed by the

Covered Person as their Country of Residence on the Application). I understand that the Coverage extended to me will terminate upon my return to my Home Country unless I qualify for Home Country coverage. I understand that the liability of the Insurer as underwriter of the Coverage is as provided in the Certificate of Coverage.

By acceptance of Coverage and/or submission of any claim for benefits, the Covered Person ratifies the authority of the undersigned to so act and bind the Covered Person.

The Covered Person undertakes to make all Premium payments as they fall due in respect of the Coverage extended. AMD Global Trust (the "Trustee") shall not be responsible for the administration of such payments. If the Covered Person fails to make any Premium payment due in respect of the Coverage extended, subject to the discretion of the Insurer, such Coverage will terminate.

The Covered Person hereby confirms the accuracy of all information and validity of all representations and warranties provided to the Trustee in connection with its participation in the Plan and/or the subscription for the insurance coverage, howsoever provided, including the terms of this Subscription Agreement, (together "Representations & Warranties"). The Covered Person acknowledges that certain of such information will be relied upon by the Insurer as Provider of the Coverage and that any inaccuracy therein may result in the invalidity of such Coverage as it relates to the Covered Person, the loss of Coverage and all monies paid in relation thereto. The Covered Person hereby undertakes to inform the Trustee of any change to any matter that forms the subject of any of the Representations & Warranties. The Covered Person hereby undertakes to indemnify and hold harmless the Trustee against any loss or damage (including attorney's fees) occasioned by any inaccuracy in any Representations & Warranties or failure to advise the Trustee of any change in any matter that forms the subject of any of the Representations & Warranties. The Covered Person agrees that the Trustee shall be entitled to rely on and to act in accordance with any written instruction purported to be provided by the Covered Person and the Covered Person hereby undertakes to indemnify and hold harmless the Trustee against any loss or damage (including attorney's fees) occasioned by the Trustee acting in accordance with any such instruction.

I confirm that I have satisfied myself in that the Coverage is appropriate for me and that I meet the Eligibility criteria.
